Position Summary

Under the supervision of the Director of Administrative Systems, assist in the management of enterprise software and related systems and assist in the development of internal software applications.

Essential Functions

- Support the administrative systems of the University by implementing, maintaining, troubleshooting, developing, automating, installing, and integrating ERP/SIS and related systems with a high degree of complexity at a production level of quality following standard procedures and practices established by the department.
- Collaborate with system users to test, validate, and troubleshoot the ERP/SIS and related systems.
- Assist users in accessing data to satisfy campus-wide information needs.
- Other duties as assigned.

Education & Experience

Minimum Qualifications

- Bachelors Degree (Preferably in Computer Science, Information Systems, or closely related field.)
- Programming knowledge required, preferably Python or JavaScript.
- Willingness to maintain current knowledge and adapt to new technologies as required.
- Ability to relate well with staff, faculty, students, administrators, and other IT staff.
- Ability to work quickly and accurately, manage a diverse workload, and complete tasks in a timely manner.

Preferred Qualifications

- Knowledge of SQL, PL/SQL, Oracle, macOS, Linux, and Docker.
- Experience with Python.
- Experience using AI in development.
- Knowledge of IT security and its application in the higher education environment.
- Experience integrating systems via data push/pull processes highly desired.
- Experience developing software applications and/or scripts highly desired.

Supplemental Information

Position is contingent on funding.

Due to recent changes in H1B visa fees, Southern Utah University is no longer able to sponsor international faculty and staff that require an H1B visa and are currently living outside of the United States.

Southern Utah University does not discriminate on the basis of race, religion, color, national origin, citizenship, sex (including sex discrimination and sexual harassment), sexual orientation, gender identity, age, ancestry, disability status, pregnancy, pregnancy-related conditions, genetic information, military status, veteran status, or other bases protected by applicable law in employment, treatment, admission, access to educational programs and activities, or other University benefits or services. ***For more information or contact information, please visit https://www.suu.edu/nondiscrimination/.***

In accordance with Utah State Code 53A-3-410, appointment to this position is contingent upon the successful passing of a background check.
